

About Buckeye Life Resources

Fiduciary-minded Life Settlement Brokerage

Buckeye Life Resources is a life settlement brokerage based in suburban Cleveland. The company was founded by **Todd Everson** in 2017 to offer life insurance policy owners a proficient and trustworthy resource for the sale of their policies in the secondary market.

Todd Everson

As noted in more detail below, Todd is uniquely qualified in the life settlement space due to his experience on both sides of the transaction – as a broker representing sellers and as a provider working on behalf of buyers. This background translates to a comprehensive understanding of the industry and its many intricacies.
