

Life Settlements: Overview & Insights

Buckeye Life Resources | Continuing Education

BLR offers one hour of **CE*** in virtual or in-person format at no cost to you:

Purpose

To educate attendees about life settlements (i.e., the sale of in-force life insurance in the secondary market) in a pragmatic and forthright way.

Topics

The presentation addresses these and related questions:

- *How are life settlements relevant to your practice, and when should they be considered?*
- *What are the fundamentals of the transaction and industry?*
- *How might life settlements be another source of revenue for your organization?*
- *What are important considerations and best practices every policy owner / seller should know?*

Target Audience

The program is well-suited for the following practitioners:

- Financial advisors
- Estate planning attorneys
- Insurance specialists
- Charitable gift planners
- Trust administrators
- Private bankers
- Elder law attorneys
- CPAs
